The NHFC is pleased to offer this Primary Election Guide for Governor, United States Senate, Congressional, and selected Executive Council, State Senate and State Representative races. Only those races (GOP or Democrat) in which there is an active primary are contained in this guide.

These grades are the result of each candidate's answers to an extensive questionnaire and any available voting records. In addition, we may also use any other reliable information regarding a candidate's views on Second Amendment issues. Candidates who received a "?" and would like to receive a rating for the General Election may download a questionnaire from our website:

<http://www.nhfc-ontarget.org>

The NHFC, Inc. hopes that you will find this information useful when you vote in our state's Primary Elections on September 13th.

WHAT THE GRADES MEAN:

- A+** 2nd Amendment leader, sponsors and promotes pro-gun legislation.
- A** Solid 2nd Amendment supporter, votes with NHFC, Inc. position 100%.
- B** Basically pro-2nd Amendment, but lacks understanding or solid conviction.
- C** Not considered a good grade. Has voted, or probably would vote against NHFC, Inc. position.
- D** Expected to always vote against gun owners' civil rights.
- F** Sponsors or promotes legislation hostile to 2nd Amendment civil rights.
- ?** Failed to respond.
- RS** Indicates a deliberate refusal to accept or respond to survey. Indicates open hostility to the Second Amendment.
- PB** Has broken written promises concerning actions on Second Amendment Issues.
- *S** Grade is solely based on survey, without a voting record to back it up.

GOVERNOR

In both parties there are pro-gun candidates. Unfortunately, there are also many candidates who would gladly restrict your right to own firearms.

Sadly, most of the Democrat candidates for Governor are all gun banning elitists. Most also refused to complete our survey. However, they have made their views on firearms civil rights issues very clear in a WMUR interview. Thus, we have graded them all as follows:

F(RS) Colin Van Ostern (D)

F(RS) Mark Connolly (D)

F(RS) Steve Marchand (D)

C- Derek Dextraze (D) Did not participate in the WMUR broadcast but did return a survey.

A*S Ian Freeman (D) * We have been credibly informed that Mr. freeman is currently the subject of a criminal investigation, the outcome of which may make him ineligible to serve in the office which he is seeking election to.

In the Republican primary there is a wide disparity among the gubernatorial candidates on firearms civil rights issues. Three of them even refused to answer our survey. We have graded the Republican candidates as follows:

A+ State Rep. Frank Edelblut (R)

Rep. Edelblut is a new House member and he has come out as a strong Second Amendment advocate by sponsoring floor amendments to add Constitutional Carry to so called “must pass” bills. He has also voted 100% pro-gun on all bills this year. Furthermore, unlike some, he has published numerous pieces of campaign literature that demonstrate that the civil rights of gun owners are more than just a theory for him. For example, in one campaign piece he even mentions his own home range.

C(RS) Mayor Ted Gatsas (R)

When Mayor Gatsas was a State Senator he opposed Constitutional Carry, on February 19, 2004 then Senator Gatsas voted Nay on SB 454, Constitutional Carry. He has also publicly declared that those who have been “put on a list” as “mentally unhealthy” should be stripped of their civil rights. He was confronted over this and told that the list is imperfect and there is no way to be removed from the list, but that did not matter. He still wants to add more names to the no guns allowed list. Therefore, for not returning a completed survey, wanting to add names to NICS and voting against Constitutional Carry he has been given a C (RS). We have not been able to find a campaign phone for him, but we do have a phone for one of his staffers, “Nate”. You should contact “Nate” and demand that Mayor Gatsas turn in a survey to NHFC at once 978-290-3635.

C(RS) Senator Jeanie Forrester (R)

She is the author of the pink Glock commercial. Given that commercial and her “claims” that she loves the 2nd amendment one would think that she is great on firearms civil rights issues. Sadly, this is all marketing hype. Senator Forrester is anything but a Second Amendment supporter. She told NHFC Vice President Alan Rice that she is quite comfortable restricting access to the Statehouse. Senator Forrester is a member of the committee that made the decision to lock the doors. At least for the public, Senator Forrester and other politicians can use any door they please. Her voting record is decidedly mixed. It is interesting to note she holds campaign events at the Common Man Restaurant. The Common Man is owned by Alex Ray, an anti-gun activist who works closely with Gabby Giffords.

C(RS) Executive Councilor Chris Sununu (R)

As an Executive Councilor Chris Sununu provided zero, none, didn't help firearms owners when the Department of Safety and the Fish and Game Department both used taxpayer funds to send staff members to the Statehouse to oppose bills like Constitutional Carry and rifles in cars. Councilor Sununu has also been endorsed by the notoriously anti-gun Gov. John Kasich. Of course Gov. Kasich is just returning the favor since the candidate's brother John E. Sununu supported anti-gun Kasich for President. Here at NHFC we do judge people by the company they keep. Furthermore, while not directly gun related, a recent report questions his ties to Islamists. We remain deeply suspicious of Councilor Sununu.

RS Nancy Steenson (R)

District 24:

A*S **Dan Innis (R)**
A-*S **Stephen Kenda (R)**
D- Ray Tweedie (R)
RS Jim Maggiore (R)

*The NH Constitution requires that NH Senators be residents “. . . for seven years immediately preceding his election.” Winterton admitted to WMUR that he moved here in 2011 and additional evidence has come to light that Winterton voted in Florida via absentee ballot in 2012 thereby presumably disqualifying him from office per RSA 655:2 and RSA 655:7.
