- A) Yes.
 - B) No
- 9) R.S.A. 159-B, enacted in 2004, protects shooting ranges from being closed by local zoning officials. Some people believe that a better way to protect shooting ranges is by asking the government for permission to operate and having range operators pay a fee to the County Sheriff for a range inspection. Candidate’s Initials: _____

B) No.

13) NH R.S.A. 644:13 prohibits the discharge of firearms within the so called “compact part” of a city or town. There are other laws that more adequately deal with the discharge of a firearm in an unsafe manner. Would you support completely repealing R.S.A. 644:13 with its arbitrary and unnecessary prohibition on discharging a firearm?

A) Yes.

B) No.

14) R.S.A. 207:7 generally prohibits the possession of a *loaded* rifle, shotgun or crossbow in a vehicle. This is inconsistent with R.S.A. 159:4 which generally allows the carrying of a loaded pistol or revolver in a vehicle if the person carrying the firearm(s) possesses a valid license issued pursuant to R.S.A. 159:6. Would you support repeal of R.S.A. 207:7 so that law abiding persons may carry a loaded rifle or shotgun in a vehicle?

A) Yes

B) No

15) This year, legislation was defeated that would have added the names of thousands of NH residents to the list of those prohibited from owning a firearm due to so called mental health issues. The list would have included many people who sought voluntary mental health treatment but have not committed a crime. Psychiatrists and psychologists do not have a very good track record of predicting *future* behavior. Will you oppose legislation to forcibly take away the Second Amendment rights of people without due process?

A) Yes

B) No

16) R.S.A. 159:26 reserves for the state of New Hampshire the exclusive authority to regulate all matters concerning firearms and ammunition. This is known as preemption. Despite this law, several state agencies have taken it upon themselves to regulate firearms without statutory authorization. Will you support strengthening NH’s preemption law to make clear that firearms may not be regulated except by statute after the full legislative process?

A) Yes.

B) No.

17) Would you support overturning the University System of NH's unconstitutional ban on carrying firearms on public college campuses, and give the Faculty, Students and Visitors of NH's Universities back their right to defend themselves from violent criminals?
